December

## Hello Parkland Families!

### *Message from the Principal*

Dahooja! Hello. It is hard to believe that the first three months of school are over and December is upon us. November was a busy and productive month. Lots of learning is taking place and we are steadily seeing growth in each of our students.

Some of the highlights from November are the Remembrance Day Assembly that took place on November 9. We really appreciated the K/1 class and two of the Grade 7 students sharing in the assembly.

Our Volleyball team had a great season. They won many of their games and played very well against many boys' teams at other schools.

The intermediate classes are participating in curling. This is a fieldtrip for which the classes spent time fundraising. Thank you to our teachers and parents for supporting this activity.

Our sled hill is a fun part of each day. Many students have brought their own sleds to the school. With a small layer of snow and ice, the students "fly" down the hill. Just a reminder that if a student wants to sled, they must have "sled gear", including snow pants, boots and gloves.

One other reminder, if your child is away, please let the school know by calling or sending an email. If you call, and do not get through, please leave a message.

With the upcoming break, I want to wish everyone of our Parkland families, a wonderful holiday and a Merry Christmas.

**Parkland has a new website! Please visit for school info!**

**There is also information on Community News and Events on the News Hub link on the website.**
