Hello Parkland Families!

Message from the Principal

Dahooja! Hello. Things have been going very well at Parkland Elementary. Students have settled into the routines of their classrooms and we are seeing the growth that is happening! We have had an eventful October with many highlights; here are just a few:

Our Open House and Parent/Student/Teacher interviews went well. If you were not able to attend but would like time to talk with your child's teacher, please reach out to them via email or leave phone message.

Halloween was a fun day at Parkland beginning with a Costume Parade and group dance. Thank you to our wonderful teachers for providing many fun activities for students to participate in.

Last Friday we had Forest Friday. We spent most of the morning in the forest, playing games, exploring and doing a scavenger hunt. We have realized that we love to play and learn outside, so stay tuned for more forest related events.

This leads to another reminder about students dressing for the weather. Although most of the days in October have been warm, the mornings are cold; one day it was -13 C. Brrrr... so please remember to dress your children in layers.

With layers comes a full lost and found. If your child is missing any clothing, please remind them to look in the lost and found. Parents are also welcome to stop in and take a look during school hours.

A reminder that if you call, please leave a message.
