

April 2025

Dahooja,

Is it too much to hope that the melting snow is leaving us permanently? I sure hope so. It is so lovely to see crocuses coming up in our front garden. One thing all the melt does is make the field very wet. We are encouraging students to wear proper footwear. This also goes for our Forest walks as the trail is still wet and icy.

Some exciting events coming up in April are Battle of the Books, The Easter Egg Hunt, Earth Day, Inching to K and the Fun Fair. Be sure to ask your student about which book they chose each week and why they think it is a fantastic picture book, good enough to beat out the other books. The Easter Egg hunt is courtesy of the PAC, as well as the Fun Fair. Thank you to all the parents who work to fundraise and do fun activities for our school. Volunteers are welcome and appreciated especially for the Fun Fair.

A reminder that Kindergarten registration is open. If you know of any students who will be starting K in September, please let them know what a fantastic school we have. We are a small but vibrant community of learners.

Cross Country Running is also starting. We have invited students who would like to participate in Grades 2-7, to practice with Mr. Saip and myself every Tuesday and Thursday at lunch. If your child has expressed interest in running, we will be sending home a permission slip for the activity. Please sign and return it to the school asap. Also, students who are running must have proper footwear. If you require assistance with purchasing your child proper running shoes, please let me know and I would be happy to help out.

If your child is going to be away, please let us know. You can email your teacher, send a Remind message, call the school and leave a voicemail or email me at suesaip@sd28.bc.ca.

Please contact me if you have any questions or concerns.

Mrs. Saip

Please take a look at our Calendar of Events on Page 9 for important dates!
