Message From Principal

Dahooja! Hello. It is hard to believe that we are already one month into the school year. It has been an eventful time with students coming back to school and welcoming some new faces. This past month we had our Terry Fox Run in which the school raised \$125 that was donated to the Terry Fox Foundation. Terry's goal was for each Canadian to donate \$1 to cancer research. Our school managed to raise over \$2 per student. We should all be very proud. We also had a fantastic pancake and sausage brunch courtesy of the PAC. It was delicious. We also observed Truth and Reconciliation Day by having our own Orange Shirt Assembly and walk carrying the survivor flag. Students were very respectful during the assembly. Again, Parkland students showed they are caring and kind.

Hot Lunch is also starting this Friday. We are using a new website for families to order and pay for their lunches. If you missed out, please let our secretary, Stephanie, know.

As always, if you have any questions or concerns, please contact the school. I am a teaching principal, and we have a part time secretary so if you call and no one answers, please leave a message. You can email me at suesaip@sd28.bc.ca anytime. I check my email often.

If you know your child is going to be away, PLEASE let us know.

Thank you,

Mrs. Sue Saip

Hope

What is hope?

Hope is scary.

Hope is powerful.

Hope is a peek of sunshine through the trees.

Hope is like climbing a tree on a cloudy day,
reaching the top and seeing the sunlight.

Hope is awesome.

Hope is high risk, high reward.

Hope is happiness.

Hope is a friend.

Hope is courage.

Hope picks you up when you fall.

Hope is seeing the light at the end of the tunnel
and running towards it.

Hope is believing that cancer can be cured.

QUESNEL LIVE ARTS PRESENTS

Weaving together elements of stand-up comedy, physical theatre and Lucas Myers' trademark brand of observational humor, ROOF stars Dave, a highly successful real estate agent who is living the dream: hot car, smart kids, beautiful wife, unbelievable sound system, designer kitchen, steam shower. Just as he is launching his own self-improvement video series, #HiMyNamelsDave, he discovers major issues with his roof and cracks begin to form in his perfect world. Enter Stevie, a journeyman roofer with aspirations of being a stand up comic, who is the only person capable of dealing with Dave's narcissistic hyper-vigilance. As they attempt to collaborate on the roof project, Stevie forces Dave to confront his shortcomings and come to terms with what being a good person really means.
